

Paignton Junior Sailing Club Training registration 2011

We have plans for a variety of junior sailing courses and more advanced training in 2011 for youngsters between 9 and 17 years. Our aim is to get more youngsters on the water each year and to encourage them to take part in regular racing with the club.

Please could you indicate on the application form your preference for sailing course/activity and please would you provide us with details of your child's past sailing experience, even if he/she has sailed at Paignton in previous years. If you are not sure which group would be best for your child please give us a ring or email.

Beginners and Improvers course.

We will run our traditional course for beginners and improvers over 5 consecutive Friday nights, 6-9pm, starting on Friday 3rd June and finishing on Friday 1st July. A new venture this year is a plan to complete the course with a full day of sailing and other on-water activities on Saturday 9th of July. The price of the course will cover the Friday evenings and the whole day Saturday. There will also be a barbeque and presentation of certificates and trophies at the end of activities on 9th July. More details will be given out during the course. The cost of the sailing course will be £65 plus club membership (£30) if not already a member.

Advanced junior sailing

More experienced sailors will be catered for on Saturday mornings starting from 9th April. There will be a mixture of 'Saturday Splash' and 'Supervised Sailing' for those who have completed an Improvers course in previous years (or who have equivalent experience) and there will be more formal race training for those who wish to improve their sailing skills and racing techniques. The cost of Saturday morning sailing will be £5 per session if using a club boat and £2 per session (to cover cost of safety boats, fuel etc) if using your own boat.

These courses are always oversubscribed. Places will be allocated on a first come basis. However our existing junior members and those who completed courses last year will be offered places before the course is opened up to non-club members. Please return the attached form as soon as possible to avoid disappointment. Non-members will be sent request forms at the end of February.

Please complete and return request form by email (ideally) to dyer@rsbth.eclipse.co.uk or by post to

Rob Dyer, Chairman PJSC
Vine Cottage, Fore Street, Ipplepen, Newton Abbot. TQ12 5RH

Any queries regarding the courses please contact me on 01803 814027 or e-mail.

Do not send any money at this stage as the cost will depend on which course your child(ren) attend.

We plan to do as much of the communication by email this year. We need an email contact for parents but also to ensure that youngsters are kept in touch and to encourage involvement in club activities, we would really like to be able to contact them directly. If you are happy with this please could you include also the youngsters mobile and email addresses.

There will be a combined information and social meeting for all juniors and parents in late March at 7pm in the clubhouse. We will explain more about the courses and can answer your questions. We will also be looking for volunteers to help both on and off the water.

Paignton Junior Sailing Club courses 2011. Request form
